

Out on the per - il - ous deep, Where dan - gers si - lent - ly creep,

And storms so vi' - lent - ly sweep, you are

drift - ing too far from the shore. Drift-ing too far from the shore, from the shore.

you are drift-ing too far from the shore, peace-ful shore. Come to Je - sus to - day, Let Him

show you the way, you are drift - ing too far from the shore.
